MARKETING MANAGEMENT- Scheme of Valuation

Sl. No.	Questions	M	BT	CO
1	Differentiate between marketplace and market space.	02	L2	1
A	**Marketplace:** A **physical or digital location** where buyers and sellers come together to exchange goods and services. **Market Space:** A **conceptual or virtual environment** where commercial value is created through digital networks and communication technologies.			
2	What is the mantra of marketing?	02	L2	1
A	Create, Communicate, Deliver, Value, Target, Profit			
3	Define affiliate marketing and give an example.	02	L1	2
A	**Affiliate marketing** is a type of **performance-based marketing** where a business rewards **affiliates** (partners or individuals) for **driving traffic, leads, or sales** to the company's products or services through the affiliate's **marketing efforts.**			
4	Mention any four characteristics of a good content.	02	L1	1
A	Credible, shareable, useful, interesting, relevant, different and on brand			
5	Differentiate between push and pull marketing.	02	L2	2
A	**Push Marketing:** • **Definition:** Promotes products by **pushing** them towards customers. **Pull Marketing:** • **Definition:** Encourages customers to **actively seek out** the product.			

Sl. No.	Questions	M	BT	CO
1.	A newly launched e-commerce company wants to build brand awareness through content marketing. Suggest a step-by-step strategy for them, including content types and distribution channels.	10	L2	3
A	Goal setting, audience mapping, content ideation and planning, content creation, content distribution, content amplifier, content marketing evaluation, content marketing improvement			
2.	A travel agency specializing in adventure tourism wants to improve its targeted marketing. How should they create a buyer persona, and what factors (e.g., demographics, interests, online behaviour) should they consider?	10	L4	3
A	**Steps to Create a Buyer Persona:** 1. **Research Your Current Customers:** o Analyse your **best existing clients** — those who book often, leave reviews, and engage with your content. o Conduct **surveys or interviews** (online or post-trip feedback forms). 2. **Segment Your Audience:**			

	○ Divide your audience into categories based on travel habits, destination preferences, or trip budgets. 3. **Gather Data (Use Tools like Google Analytics, Social Media Insights):** ○ Identify patterns in **who interacts** with your website and social pages. 4. **Build the Persona:** ○ Give it a **name**, photo, and backstory to make it relatable (e.g., *"Adventurous Ananya"* or *"Explorer Ethan"*). ○ Include key data points			
3.	A retail company has been using traditional marketing methods such as newspaper ads, billboards, and TV commercials. However, they are now considering a shift to digital marketing. Compare the benefits and limitations of both approaches and suggest a strategy for transitioning to digital marketing	10	L3	1
A	**Traditional vs. Digital Marketing** **Aspect** — **Traditional Marketing** — **Digital Marketing** **Channels** — TV, radio, newspaper, magazines, billboards — Websites, social media, email, SEO, PPC, influencer marketing **Reach** — Local or mass (depending on medium) — Global and highly targeted **Cost** — Often expensive (TV, print ads) — Cost-effective (pay-per-click, organic reach options) **Interactivity** — One-way communication — Two-way, real-time engagement with customers **Measurability** — Hard to track ROI accurately — Easily trackable with analytics and KPIs **Flexibility** — Less flexible once launched — Highly flexible and adjustable in real time **Time to Launch** — Requires more time for planning and production — Quicker to launch and adapt			
4.	Identify and explain the various entities that can be marketed, providing relevant examples for each category."	10	L2	2
A	Goods, Services, Experiences, Events, Persons, Places, Properties, Organizations, Information and Ideas			
5.	How have the 4Ps of marketing (Product, Price, Place, and Promotion) evolved in the digital era? Provide examples of companies effectively leveraging digital strategies for each element	10	L2	4
A	**Product → Digital & Personalized Products** • **Evolution:** Products are now more **customizable, data-driven,** and include **digital formats** (e.g., software, online services, virtual goods). • **Example:** **Spotify** uses user data to create personalized playlists, enhancing the product experience. **Price → Dynamic & Transparent Pricing** • **Evolution:** Real-time pricing, discounts, and **personalized offers** are common. Customers can easily compare prices online. • **Example:** **Amazon** uses AI to dynamically adjust prices based on demand,			

	competition, and user behavior. **Place → Online Channels & Omnichannel Presence** • **Evolution:** Shift from physical stores to **e-commerce, apps,** and **marketplaces**. Customers expect seamless experiences across online and offline platforms. • **Example:** **Nike** offers a smooth shopping experience across its website, mobile app, and physical stores (click-and-collect, store locator, etc.). **Promotion → Digital & Interactive Marketing** • **Evolution:** Promotion has shifted from mass media to **targeted digital campaigns, social media, influencer marketing,** and **content marketing**. • **Example:** **Coca-Cola** runs engaging social media campaigns and interactive content (e.g., "Share a Coke") across digital platforms.

MARKETING MANAGEMENT

Note:
1. Answer all the Questions.

Sl. No.	Questions	M	BT	CO
1	Describe the key principles of digital marketing and explain how they differ from traditional marketing approaches. Provide examples to illustrate your points.	10	L2	CO1
2	Your company has a limited marketing budget and needs to choose between Search Engine Optimization, Pay Per Click, and Social Media Marketing to promote a new product. Based on the product being a high-tech gadget aimed at young professionals, which channel(s) would you prioritize and why? Justify your decision with specific examples.	10	L3	CO1
3	Identify and explain at least five key metrics used to measure the impact and performance of content marketing efforts. How can these metrics influence future content strategies?	10	L2	CO1
4	Imagine you are a digital marketing strategist at GreenTech Innovations, a company launching a new line of eco-friendly kitchen appliances called "EcoChef." Design a comprehensive content marketing strategy to promote these products. Include specific goals, types of content, distribution channels, and methods of engagement with your target audience.	10	L3	CO1
5	Explain the importance of data-driven insights in social media marketing. Describe the process of developing audience insights using social media analytics tools. How can these insights inform the development and optimization of social media campaigns?	10	L2	CO2
